

St Johns Lilydale Service Requirements During Covid

- No need to register beforehand.
- QR code registration on the day via a smart phone is the new method of registering.
- If the QR method isn't an option, we are required to take your first name and phone number on the paper registration form. This paperwork is for this purpose only and will be destroyed after twenty-eight days.
- Individuals are required to observe social distance guidelines of one person per 2 sq metres -couples and family members of the same household are allowed to sit together.
- If you are showing flu like symptoms we ask you to stay home.
- Hand sanitization is required upon entry and exiting the building.
- Sanitising of all specified surfaces is carried out according to Covid-19 requirements before and after each service.
- Masks are required to be worn in the church building.
- Morning tea will be served according to DHHS guidelines by delegated individuals.
- St Johns has a Covid Safe Plan and Covid Officers are assigned for every service.
